Trees
A Living Legacy

Legacy Tree Program

Donations to the Legacy Tree Fund will be utilized to maintain and enhance the vast diversity of over 3000 trees in Fenton's parks.

Legacy Trees will be selected based on need as determined by the Park Tree Inventory Management Plan.

Small, medium or large canopy trees are needed to replace the existing tree stock damaged by storms, disease or aging or to expand forest areas.

In order to preserve the natural setting of our wooded areas marking individual trees will not be possible.

FENTON

FREQUENTLY ASKED QUESTIONS?

When will the tree be planted?

Trees are only planted two times a year. Spring and fall seasons are the best time for planting trees.

What trees will be planted?

Only trees specifically suited for our temperate region will be planted. Species may vary based on availability.

Where will trees be planted?

Trees will be planted in locations determined by City staff as directed by the Park Tree Inventory Management Plan.

What is the cost of a tree?

For 2012 planting seasons the cost will be $300. Due to the variations of tree costs prices will be established yearly. Cost includes: cost of plant stock, planting, mulch ring, and water bag. Trees will be guaranteed to the limits of supplier warranty.

What is included in my donation?

In recognition of your donation you will receive a framed certificate acknowledging your donation and noting approximate tree location. You will also receive a 4"x8" commemorative brick at the Heroes Memorial in Fenton City Park.

How do I order a tree?

Order forms are available on the City website at **www.fentonmo.org** or by calling the Park and Recreation office at 636-343-0067.

Please note: Participation in the Legacy Tree Program is a donation. All trees planted as part of the program are donations are the property of the City of Fenton.
