

CITY OF FENTON—NEWS & VIEWS

MAY— JUNE 2018

MAYOR'S CORNER

Dear Neighbors,

We are in the midst of busy times in the City. Our newly elected officials have been sworn in. The President of the Board of Aldermen for this next term year is Andrew Sobey, Planning and Zoning Liaison is Vera Glick and Park and Recreation Liaison is Paul Seemayer. The Board of Aldermen have picked their committees and chosen their chairmen for each committee as well.

The City has finished its annual financial audit and has been found to be in good standing. No debt obligations and strong revenue versus expenditures put us in great shape for the future. Our property and casualty insurance is up for renewal and we are expected to have an increase of less than 1%.

City Administrator interviews are ongoing, with the Board of Aldermen unanimously adopting a new procedure to include everyone's input up front. All Board members have turned in their top five choices from the available candidates and the five with the most votes get a first interview. All Board members are welcome to attend the first interview, but it is not mandatory. From that group, the top two choices will go to the full Board for a final interview which will include our Department Heads. A final candidate will then be chosen and voted on by the full Board with a recommendation from the Mayor. The initial candidates have been chosen and interviews will hopefully be completed before this letter is received. If all goes well, the Board should be voting on a candidate next month and we will have filled this important position.

The City passed Resolution **R-18-01**, "*A Resolution supporting an application under the Municipal Parks Grant Program for the construction of trail landings for the I-44 Pedestrian Bridge Project*". This project is in partnership with Great Rivers Greenway, MoDOT, City of Kirkwood, City of Sunset Hills and St. Louis County. This project is being funded under a Municipal Park Grant and will be done at no cost to the City of Fenton. The proposed pedestrian/bike crossing will connect our Fenton trails across the Meramec River with our neighboring cities.

The Board of Aldermen recently approved the purchase of property at 725 New Smizer Mill Road and 905 Gregory Lane. These properties will add approximately twelve acres to our parks system and will connect with, and add a secondary entrance, to, Fabick Nature Preserve. With no deed restrictions on these 12 acres, the Park Board will be researching various options on the best use of this land. The Board also approved working with Adopt-A-Highway to keep Highway 44 clean along the two mile stretch within the city limits of Fenton.

Lastly, the Board of Aldermen voted to approve changing the name of Mraz Lane (off of Highway 44) to Fenton Logistics Park Boulevard. Fenton Logistics Park is coming along nicely with two buildings completed, a third and fourth going up and approval to begin construction of the fifth building.

Keeping Fenton Moving Forward,

PLANNING & ZONING COMMISSION PUBLIC HEARING NOTICE

On **Tuesday, June 5, 2018**, the Planning & Zoning Commission will hold a Public Hearing at 7:00 p.m. during their regularly scheduled meeting at City Hall to consider the following:

OLD BUSINESS:

- ✓ Consideration of amendments to the Zoning Code regarding outdoor storage of equipment/materials and containers.
- ✓ Consideration of amendments to the Zoning Code regarding Permitted Uses and Uses Allowed by Special Use Permit in the Olde Towne, Commercial, and Business Zone Districts and related definitions.

NEW BUSINESS:

- ✓ Consideration of amendments to Chapter 460: Accessory Buildings, Structures and Uses of the Zoning Code and related definitions.
- ✓ A Petition by Enosnas Family Holding Company, LLC, for Site Plan Review of a proposed accessory structure (storage garage) at 2450 Cassens Drive. The property is zoned "IP-1" Industrial Park – Light, Medium, Industry, Distribution, Assembly Warehouse District.
- ✓ A Petition by Leon Mannings of Missouri Technical College, LLP, for a Special Use Permit to operate an educational facility (technical training school) at 757 Gravois Road. The property is zoned "C-1" Commercial Zone District.
- ✓ A Petition by KP Development, LLC, for a Special Use Permit to continue to locate a temporary modular/prefabricated office trailer at 2055 Fenton Logistics Park Boulevard. The property is zoned "PID" Planned Industrial Development.

**For more information, please call
Community Development at (636) 349-8110.**

This is a friendly reminder that projects such as fences, decks, sheds, in-ground and above-ground pools may require a permit. Call the Community Development Department at 636-349-8110 to inquire. Permit application forms can be found on the

City's website or drop by our office where we're always glad to see you.

NEW BUSINESS CORNER

The following businesses have applied for an Occupancy Permit and are planning on calling Fenton "home."

American Mechanical
204 Fabricator Drive
(mechanical contactor)

Brandworks, LLC
1693 Fenpark Drive
(home décor manufacturer)

Palfinger USA, LLC
2376 Cassens Drive
(repair & maintenance of truck mounted cranes)

A FRIENDLY REMINDER

At this busy time of year, the weekly chore of lawn maintenance can fall behind. We would like to take this opportunity to ask you to mow and trim your lawn regularly so it does not get too tall (9" is considered the standard maximum height).

Call the Community Development Department at (636) 349-8110 with any questions.

YARD WASTE PROGRAM

Every Monday morning the Public Works crews start collecting lawn debris. All biodegradable bags with stickers and sticks/limbs that are bundled no longer than four (4) feet will be picked up. Since this service is so popular during this time of year, it might take our crews two, three, or sometimes four days to collect everything. All lawn debris set out by 7:00 a.m. Monday will be picked up that week. Please do not set out lawn debris after 7:00 a.m. Monday morning. The crews canvas the City in a specific pattern. It is very disruptive to our normal schedule to retrace our steps when residents call after the crew has been in your area.

PUBLIC HEARING NOTICE: COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS

The City of Fenton will hold a Public Hearing to discuss the allocation of \$20,000 in Community Development Block Grant Funds which will become available after January 1, 2019. The Public Hearing will be held at 6:45 p.m. on Thursday, June 28, 2018 at Fenton City Hall. To further its commitment to fair and equitable treatment of all citizens, the City of Fenton has enacted and/or enforces the following:

- *A Fair Housing Ordinance* prohibiting unlawful discrimination against any person because of race, sex, color, religion, disability, familial status or national origin;
- *A Policy of Nondiscrimination on the basis of Disability* in the admission or access to, or employment in its federally assisted programs or activities;
- *A Policy of Equal Opportunity to Participate in Municipal Programs and Services* regardless of race, color, religion, sex, age, disability, familial status, national origin, or political affiliation;
- *A requirement for bidding on CDBG activities that promotes* employment opportunities created by HUD funding and that these opportunities be afforded to low-income community residents and business.

If you would like information regarding the above policies or if you believe you have been unlawfully discriminated against, contact the following municipal official or employee who has been designated to coordinate compliance with equal opportunity requirements referenced above:

Morgan Kuepfert, Interim City Clerk (636) 343-2080
625 New Smizer Mill Road, Fenton, MO 63026

If you are a person with a disability or have special needs in order to participate in this Public Hearing, please contact:

SPEED LIMIT

With warmer weather, our children will be enjoying the outdoors. Help us provide a safe and secure environment for both you and your children by paying special attention to the speed limit in your subdivision. The City of Fenton maintains a **20 miles per hour** speed limit on all residential streets within the City limits.

PARKING

We would like to remind you to be courteous to your neighbors while parking on the streets in your subdivision. Please be aware of the location of your vehicles as they may block driveways and mailboxes, prohibiting postal workers from delivering mail. We would also like to remind residents that there are ordinances for St. Louis County and the City of Fenton against parking in fire lanes. Please be cognizant of this when in shopping areas, such as Fenton Crossing and Gravois Bluffs

BICYCLE SAFETY MONTH

May is Bicycle Safety Month. Bicycle helmets are an essential element to bicycle safety. Together with the St. Louis County Health Department, we will be giving away helmets to children of any St. Louis County resident. Please call the Fenton Precinct from 8 a.m. to 4 p.m. to schedule an appointment for a helmet fitting. The Fenton Precinct always gives out free helmets to those who are in need of one.

CONSTRUCTION UPDATES

Phase I of the Gravois Road Replacement Project is moving along with the westbound lanes of Gravois Road from Water Street to Ferry Street currently under construction. Over the next month, work will continue on the westbound (north) side of the roadway with construction/replacement of drive approaches and sidewalks. Upon completion on the westbound side, work will be shifted to the eastbound (south) side of Gravois Road. Once the shift is made, the one-way eastbound traffic on Gravois Road will move to the westbound lanes. The existing detour will remain as set. While traveling through the construction zone and detour routes, please observe and follow the one-way traffic and road closed signs.

The 2018 Concrete Slab Replacement Project is nearing completion. Additional slab and sidewalk replacement will be performed throughout the summer by Public Works.

As with any roadway construction project, motorists can expect delays. Thank you for your patience as we work to improve the City's Infrastructure.

Any questions can be directed to **Matthew Budd or Dan Howard at 636-349-8155.**
